The Inspire Foundation - Exhibitor Guidelines - Application

General Information and Rules

All applications must be submitted prior to show date. An application does not guarantee space availability. This is a Rain or Shine event. (No makeup days) Artists/Vendors must be present for the duration of show: 6 p.m. – 10 p.m., Booths must be set up by 5:30 pm with no disruption to traffic or other exhibitors. All exhibits must be original work, done by the artists.

The day of show, artists will be greeted and shown your booth number and location. Set-up is available from 4:30 – 5:30. Each vendor must supply their own tent, tables, chairs, etc. All workspace and artist belongings, including chairs, must be contained within the assigned booth space. Exhibitors are required to use sufficient weights to secure tents. No changes in booth assignment will be allowed without approval of the coordinator. Vendors will keep their area clean during and after the show. This includes trash removal from your booth space.

Breakdown will occur at 10:00pm unless otherwise notified by a director. An early breakdown disrupts the other exhibitors and the flow of foot traffic. Parked vehicles and vehicle traffic are not permitted in the show areas. All booths must be dismantled and removed by 10:30 p.m.

Each artist will create and donate an original piece of art to be auctioned off throughout the event. If you cannot make an item at the event, we require you to bring an original piece for this live art event. Each artist is responsible for collecting and reporting Florida sales tax on all sales made during Arts for Autism.

All rules are strictly enforced. Florin/Roebig and The Inspire Foundation reserves the right to prohibit exhibits deemed unacceptable. Failure to follow the above rules can result in ineligibility for this and future shows.
